Reference: POST letter dated July 9, 2012, specifically sections II and III regarding
Sedentary Classroom Training and courses requiring practical application
training by students beyond sedentary classroom course instruction.

Emails dated 8/29/12 and 8/23/12

Subject: Request for recertification of courses classified as Sedentary Classroom Training
Request for recertification of courses classified as Other than Sedentary Training

1. Per our telephone conversation on Friday 24, 2012, I am setting forth the following courses for POST review based upon ITR needs assessment as to priority of recertification and subsequent presentation to participants.
2. The Sedentary Classroom Training courses are as follows:

a. Critical Incident Management and Tactics	POST number 24204
b. Dispatcher-Tactical Operations	POST number 30922
c. Dispatcher/Tactical Operations Advanced	POST Number 30869
d. Special Weapons and Tactics, Commander	POST Number 23030
3. The courses classified as other than Sedentary Classroom Training are as follows:

a. Critical Incident Instructor-Active Shooter	POST Number 24204
b. Rifle Marksmanship and Sniper	POST Number 23020
c. Search Warrant/Arrest-High Risk	POST Number 24271
d. Technical Rope Operations Instructor	POST Number 33579
4. The Sedentary Classroom Training courses are being requested for recertification as a group because they are presented in two to three week blocks of back to back training as all these courses use the same large model city mock-up training aid which requires 5-6 hours of unloading and setup per course.
5. The courses classified as Other than Sedentary Classroom Training are being proposed for future planning and review with POST which can be addressed subsequent to completion of the recertification of the Sedentary Classroom courses per the guidelines set forth in section III of referenced POST letter dated July 9, 2012.

6. Please advise as to any questions or additional information that you may need regarding these matters.
7. As stated before, I am available for any meetings/conferences at POST Headquarters for instructional material review and curriculum presentation procedures on any of the aforementioned Sedentary Classroom Training courses or the Other than Sedentary Classroom Training courses.

Respectfully,

Ben Tisa
