Title 11. Law

Division 2. Commission on Peace Officer Standards and Training

Article 1. General

11 CCR § 1015

§ 1015. Reimbursements for Training.**(a) Proportionate Reimbursement.**

Reimbursements to cities, counties, and districts shall be granted by the Commission in accordance with Penal Code section 13523. Agencies participating in the POST Reimbursable Program and/or POST-approved training presenters shall be reimbursed from the Peace Officers' Training Fund for allowable expenditures incurred for training in POST-certified courses only as defined in Regulation 1001. Reimbursement is based upon fund availability as approved by the Commission.

(1) Marshals' and district attorneys' departments are included in the Regular Program for reimbursement even though individual officers employed by the agencies have retained specialized peace officer classification.

(2) An agency participating in the POST Reimbursable Program that employs limited function peace officers as defined in Regulation 1001 shall, subject to available funds, be reimbursed for allowable expenses of these officers that are related to attendance of POST-certified courses.

(b) General Reimbursement Requirements.**(1) Requests for reimbursement**

(A) Agencies participating in the POST Reimbursable Program who request reimbursement for their employees attending POST-certified training courses shall do so on a Training Reimbursement Request (TRR) form, POST 2-273 (Rev 04/2015), herein incorporated by reference. The TRR may be submitted to the training course presenter at the time of the course, or be mailed directly to POST. Upon receipt of the course roster from the training course presenter verifying successful completion of the course, reimbursement will be computed and paid to the requesting agency subject to available funds. Courses such as Field Management Training and Team Building Workshops require a report to be submitted to POST staff as a condition of successful completion of the training course. Reimbursement will occur upon receipt of the report.

(B) POST-approved Training Course Presenter requests for reimbursement shall be submitted to POST on the Commission-approved Presenter Reimbursement Request (PRR) form, POST 2-243 (04/2015), herein incorporated by reference, along with the course budget approved during the course certification process attached to the PRR. This form applies to Plan V courses only.

(2) Training expenses may be claimed only once.

Agencies participating in the POST Reimbursable Program shall not receive reimbursement for subsequent attendance by a trainee in a course if the trainee has previously attended the same course. Exceptions to this regulation are courses that are authorized to be repeated periodically such as seminars and Advanced Officer Courses as defined in Procedure D-2-2.

(3) Reimbursement shall, subject to available funds, be provided only for satisfactorily completed training acquired by full-time employees in an on-duty status.

(4) Reimbursement for partial completion of the POST-certified Basic Course shall, subject to available funds, be made to an agency participating in the POST Reimbursable Program which terminates a basic course trainee, allows a trainee to resign prior to completion of a certified basic course, or if the trainee is unable to complete a certified basic course due to illness, injury, or other physical or academic deficiency. The remaining reimbursement entitlement for a trainee eligible to be re-enrolled shall be applied to attendance of any certified basic course which is subsequently attended by the trainee.

(5) When a peace officer trainee has attended a basic course for which reimbursement has been provided, an agency participating in the POST Reimbursable Program shall, subject to available funds, receive reimbursement for subsequent attendance of a basic course by the same trainee who has a three-year or longer break in service as a peace officer and must be retrained (Regulation 1008(b)).

(6) Within the provisions established by the Commission, an agency participating in the POST Reimbursable Program shall, subject to available funds, receive reimbursement for travel (mileage), subsistence (lodging and meals), commuter lunch, and tuition, only when the trainee satisfactorily completes the POST-certified training course. Reimbursement for partial completion of a basic course shall, subject to available funds, be allowed pursuant to Regulation 1015(b)(4).

(7) Reimbursement for partial completion of a certified Motorcycle Training Course may be provided if the trainee fails to complete the course due to an inability to perform the skills required for successful completion. The POST Executive Director is authorized administrative discretion regarding reimbursement involving partial completion of a certified Motorcycle Training Course.

(8) Subject to available funds, reimbursement is authorized for California law enforcement agencies participating in the POST Reimbursable Program in counties bordering states contiguous to California, and whose officers attend California POST-certified training courses in those states (Oregon, Nevada, and Arizona). Agencies in other than contiguous counties may be reimbursed only if the Executive Director or his designee grants prior approval. Prior approval will be granted only upon showing a special need.

(9) An agency participating in the POST Reimbursable Program that employs a trainee on a full-time basis, whose salary is paid by a source other than the agency, such as a federal grant or other outside funding source, is not eligible to receive POST reimbursement for expenditures covered by the grant.

(10) Reimbursement shall not be approved for training of any peace officer unless the agency participating in the POST Reimbursable Program has notified POST of the officer's appointment by submitting a Notice of Appointment/Termination form, POST 2-114 (08/2008) through the POST Electronic Data Interchange (EDI) system or by submitting the form via mail to POST and subject to available funds.

(11) Agencies must submit TRRs within the fiscal year the training was completed. The fiscal year for the State of California begins on July 1 and ends on June 30. POST will accept agency TRRs up to 60 days after the end of the fiscal year.

(c) Reimbursement Plans.

(1) POST reimbursement for training expenditures of agencies participating in the POST Reimbursable Program and/or POST-approved Training Presenters shall be based on schedules known as "plans". Each plan varies in the amount and/or category of expenses that may be reimbursed by POST. The categories of expense/allowances that may be reimbursed are: subsistence (lodging and meals), commuter lunch, travel (mileage), tuition, back-fill salary, and training presentation costs. The five reimbursement plans that have been adopted by the Commission are designated as Plan I, II, III, IV, and V as follows:

POST-approved training presenters submitting a Presenter Reimbursement Request (PRR) form, POST 2-243 (04/2015) shall include the actual course presentation costs as defined in Regulation 1001, to include subsistence (lodging and meals) and travel (mileage) costs related to course presentation.

Training presenters shall, subject to available funds, be reimbursed for actual travel (mileage) expenses not to exceed the amount approved during the course certification process and as noted on the approved course budget, which shall be attached to the PRR form.

(2) Passenger of vehicle.

A trainee shall be considered a passenger of a vehicle when being transported to a training course by another trainee in a private, agency, or rental vehicle. If several trainees share the driving of one vehicle to attend training, travel allowance shall be requested for only one trainee and the other trainee(s) shall be designated as a passenger(s).

(3) Travel (mileage) allowance calculated by POST.

In the event that an agency participating in the POST Reimbursable Program and/or POST-approved training presenter is eligible for reimbursement pursuant to this regulation, POST shall, subject to available funds, reimburse total mileage at the per mile rate approved by the Commission. Total mileage shall include adjusted straight-line mileage distance to and from the trainee's agency assignment and the course site, the average daily mileage for transportation between the resident trainee's accommodations and the course site, and the mileage incurred by a trainee to attend training at a location different from the main course site. (4) Mileage incurred to and from the training course site

(A) POST shall calculate the adjusted straight-line distance from agency/station assignment to the training course site and the return.

(B) Resident trainees as defined in Regulation 1001 are eligible for one round trip of mileage to and from the training course site plus one round trip for each weekend during the training course time period up to the date the maximum number of weeks is reached for those courses with limited reimbursement as specified in Regulation 1015(d)(2). If weekend subsistence is less than travel (mileage), the weekend subsistence amount will be reimbursed.

(C) Commuter trainees as defined in Regulation 1001 are eligible for one round trip of mileage to and from the training course site for each instructional day or up to the date the maximum number of weeks is reached for those courses with limited reimbursement as specified in Regulation 1015(d)(2).

(5) Daily travel (mileage) allowance.

Resident trainees are eligible for reimbursement of mileage incurred from a resident trainee's lodging accommodations to the course site at a flat rate travel allowance of ten miles round trip. Additional mileage will be allowed when the training course coordinator has notified POST that the nearest accommodation is greater than five miles one way. Daily mileage will be reimbursed from the date the course starts to the date the course ends or up to the date the maximum number of weeks is reached for those courses with limited reimbursement, as specified in Regulation 1015(d)(2). Daily travel allowance is automatically calculated based on the information supplied by the course presenter.

(6) Travel (mileage) to other training course sites.

Upon notification by the training course presenter that travel expenses will be incurred by the trainees to attend training at a site(s) other than the main site of training, reimbursement shall, subject to available funds, be authorized for the number of miles reported by the training course presenter at the per mile rate approved by the Commission.

(f) Reimbursement for Subsistence (Lodging and Meals).

(1) Eligibility for subsistence (lodging and meals) allowance.

(A) An agency participating in the POST Reimbursable Program shall, subject to available funds, receive reimbursement for this category of expense for an agency employee that satisfies the "Resident Trainee" definition, as listed in Regulation 1001, if reimbursement has been requested on the POST-provided Training Reimbursement Request form, POST 2-273 (Rev 04/2015).

(B) POST-approved training presenters approved for subsistence reimbursement during the course certification process shall submit their reimbursement requests for actual costs on a Presenter Reimbursement Request (PRR) form, POST 2-243 (04/2015). The course budget approved during the course certification process must be attached to the PRR.

(2) Subsistence (lodging and meals) allowance calculated by POST

(A) If an agency participating in the POST Reimbursable Program and/or POST-approved training presenter are eligible for reimbursement of subsistence, POST shall determine the amount to be reimbursed based on the following situations:

1. An agency participating in the POST Reimbursable Program shall, subject to available funds, be reimbursed for actual lodging costs not to exceed the rates approved by the Commission for a trainee attending a POST-certified course, regardless of whether that amount is less than the daily subsistence rate approved by the Commission.

(1) Commuter trainee definition (Regulation 1001).

A commuter trainee is an individual who attends a training course and travels between his/her agency/station assignment or residence and the course site each day. (2) Eligibility for commuter lunch.

(A) An agency participating in the POST Reimbursable Program shall, subject to available funds, receive reimbursement for this category of expense for an employee who satisfies the "Commuter Trainee" definition as described in Regulation 1015(g)(1). Requests for reimbursement of the commuter lunch expense shall be made on a Training Reimbursement Request form, POST 2-273 (Rev 04/2015).

(C) One day courses are not eligible for the commuter lunch allowance.

(3) Commuter lunch allowance calculated by POST.

The overtime expense and back-fill claim must be directly connected to release and back-fill for a trainee, and records supporting back-fill claims must be maintained. Participating agencies are subject to audit by the State Controller.

(4) The Commission has authorized back-fill reimbursement to include the travel release time associated with training, not to exceed a total of 16 hours more than the certified course hours. Overtime hours for travel release time shall be added to course hours for which a back-fill claim is being requested.
