Commission on Peace Officer Standards and Training  
860 Stillwater Road, Suite 100  
West Sacramento, CA 95605

Attention: Scott Loggins, Assistant Executive Director, POST Standards and Development Division

Dear Chairperson Dudley:

Thank you for giving me the opportunity to nominate a member of the California Highway Patrol (CHP) for participation on the Commission on Peace Officer Standards and Training (POST) Advisory Committee. I have worked with Assistant Chief Ryan Okashima for many years and I have watched him promote through the ranks of the Department. Assistant Chief Okashima's strong work ethic and high degree of professionalism have played a significant role in his success within the CHP.

As the newly appointed commander of our Personnel and Training Division, Assistant Chief Okashima's managerial skills and dedication to providing the highest level of training for law enforcement officers in California make him an excellent candidate for a role on the POST Advisory Committee. I highly recommend he be given your upmost consideration for this position.

Thank you for providing the CHP with this opportunity. Please feel free to contact me to discuss this recommendation in greater detail.

Sincerely,

Commissioner Dudley,

I have served as a Public Member on the Advisory Committee since October 2010. It has been a pleasure working with all the dedicated individuals from the Commission, POST staff and the Advisory Committee. Recommendations made to the Commission by the Advisory Committee require the attention of every seated member and a commitment to researching important items brought forth by the law enforcement community we serve. I have strived to fulfill that responsibility the past nine years and would be honored to serve another term.

Please consider my request for reappointment to the Advisory Committee as a Public Member.

Respectfully,

Dear Commissioner Dudley:

On behalf of the California Police Chiefs Association I would like to recommend Selma Police Chief Greg Garner for re-appointment to the POST Advisory Committee as our representative.

Chief Garner is an active member of Cal Chiefs and is passionate about the training of police officers. He has over 30 years of experience in law enforcement, has served as an instructor in the Basic POST Academy for 10 years, commanded the Fresno Police Department Training Bureau for three years and is currently an instructor/facilitator in "Tools for Tolerance" law enforcement training program at the Museum of Tolerance in Los Angeles. He has done an excellent job representing California's Police Chiefs on the POST Advisory Committee since 2015, and I fully support his reappointment.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Ronald A. Lawrence
