EMPLOYEES NAME: Officer [redacted] and Officer Cordischi

ASSIGNMENT: Patrol

On April 18th at 0216 hours, Officer [redacted] noticed a vehicle make an illegal turn in area of Huntington Drive and Garfield Avenue. Officer Cordischi and Officer [redacted] conducted a traffic stop on the vehicle which was occupied by four subjects. Investigation revealed the driver S/[redacted]-Los Angeles), and passengers [redacted] Los Angeles), [redacted]- Los Angeles), and [redacted] Los Angeles) to be in possession of stolen mail, fraudulent checks, and methamphetamine. Over 30 potential victims were identified.

Inside the vehicle, officers also recovered sticky pads used to "fish" the mail out of mailboxes. Two USPS mailboxes located in San Marino were determined to be victims.

I would like to recognize Officer Gosserand and Officer Cordischi for their proactive enforcement and investigation skills which led to the arrest of four suspects. This is a great example of good police work.
