Terry,

Good morning. I thought we already went through all of this several times requesting from me this past year with you and Mr. Yorks? I'm not sure what this is all about. This is quite torturing, and depressing for me. You contacted me yesterday requesting for my profile report and you told me that you would need to evaluate to see if I would need to do the requalification or the entire Academy. I even asked you if you are sure who I am. I really got my hopes up.

Now you are telling me to contact POST. We have spoken so many times about POST response to me that I cannot do a requalification twice and it would be up to the Academy (you guys) to allow me to go through again.

I went home last night, and told my wife that the Academy called me today requesting for my profile report, and she was no longer angry with me since it looked as if the \$1,945.00 paid in 2012 was not a waste after all. I'm not sure what the phone call was about yesterday from you. I've already completed 1,873 hours going through 2 1/2 Police Academies and nearly 9 years of Police experience.

I would like to do the requalification again Terry if the Academy would allow me to come back as the Class Commander. Please advise Terry if there is anything you can do for me. Thank You.

David,

Because of the special circumstances with your service time, you will need to contact POST to see if they will allow you to attend Requal again, or if you need to go thru the complete Academy again.

I

Thank you, Terry
