Hello Ms. Scofield:

It was a pleasure speaking with you today.

As discussed Estelle & Kennedy APLC represents Terence McCullough in his appeal to POST. On October 4, 2016, Manuel Alvarez Jr., POST Executive Director advised Mr. McCullough that his request for a POST Basic Certificate had been denied. On October 11, 2016, Mr. McCullough requested an appeal to the POST Commission, via email to you. Both of these communications are attached for your review. To date, Mr. McCullough has not received notice as to the scheduling of his appeal and we wondered if it were scheduled for next month.

Given that our office has recently been retained in this matter, we respectfully request that Mr. McCullough's appeal in this matter be heard by the Commission at its June session. Thank you for your consideration and I look forward to hearing from you soon

Sincerely,

Danielle K. Little, Esq.
