Bill # and Author	Title and Summary	Status of Bill
AB 693 Assembly Member Irwin (D)	Firearms This bill would make the prohibition on large-capacity magazines inapplicable to the sale, gift, or loan of a large-capacity magazine to a person enrolled in the course of basic training prescribed by the Commission on Peace Officer Standards and Training, or any other course certified by the commission, or to the possession of, or purchase by, the person, for purposes of participation in the course during his or her period of enrollment. The bill would exempt from the above-described ammunition purchasing requirement a person in the basic training academy for peace officers or any other course certified by the Commission on Peace Officer Standards and Training, an instructor of the academy or course, or a staff member of the academy or entity providing the course, who is purchasing the ammunition for the purpose of participation or use in the course. The bill would amend the proposition by adding these new exemptions to the prohibition on large-capacity magazines and the requirement of buying ammunition through a licensed vendor. This bill would declare that it is to take effect immediately as an urgency statute.	Introduced Date: 2/15/17 Status: Approved by the Governor 10/14/17; Chapter 783
