POST,

It is our intent that our Dispatchers at Sierra County Sheriff's Office now participate in the Dispatch program that POST offers. At the moment we are looking to add our four existing dispatchers to the program and continue to add any new additional hires. We believe that by having them participate in the dispatch program they will receive valuable resources and training. It is also part of our MOU that our dispatchers participate and follow the training standards from POST.

Sincerely,

A handwritten signature in blue ink, appearing to be "Mike Fisher", with a long horizontal flourish extending to the right.
