INTRODUCTION

Completion of the Basic Course Waiver (BCW) process is an option for meeting California's Regular Basic Course (RBC) or Specialized Investigators' Basic Course (SIBC) training requirement. The Specialized Investigators' Basic Course is the entry-level training requirement for various California state and county investigative agencies. A SIBCW is granted to individuals with qualifying out of state or federal law enforcement experience, whose law enforcement training, experience and education are deemed by POST to demonstrate sufficient law enforcement knowledge, skill, and proficiency.

An individual must successfully complete the entire BCW process to obtain a waiver. Completion of the waiver process **does not** constitute the issuance of a POST Specialized Basic Certificate.

Agency sponsorship is not required to participate in the BCW process. **Acceptance of a waiver for meeting the Specialized Investigators' Basic Course training standard is at the discretion of the employing agency.**

THE PROCESS

The BCW process evaluates prior law enforcement training and experience and tests the applicant's knowledge and skill levels. **The steps must be completed in the order shown.** Fees are charged for Steps 2 and 3.

*See the following pages for **Steps 2–4***

STEP 2: POST TRAINING EVALUATION

POST will evaluate the applicant's training if the evaluation package is complete and includes the signed SIBCW Application (POST 2-353), evaluation fee, verification of general law enforcement or investigative experience, and proper documentation of general law enforcement or investigative training. The applicant's self-assessment and supporting documents are evaluated to determine if the general law enforcement or investigative training and experience requirements have been met.

HOW COMPARABLE TRAINING IS DETERMINED

Based on the documentation submitted by the applicant, POST conducts an evaluation of the applicant's training and experience to determine if the applicant meets the minimum requirements of the BCW process as outlined in **Step 1** above.

HOW APPLICANT IS NOTIFIED

After the evaluation is completed, POST will issue a letter indicating whether the applicant is:

- **Eligible to continue the BCW process** by taking the POST Requalification Course.

OR

- **Ineligible to take the POST Requalification Course** without obtaining additional training.

OR

- **Ineligible to continue the BCW process** and needs to complete a POST-certified Regular Basic Course or Specialized Investigators' Basic Course before exercising peace officer powers in California.

STEP 3: BASIC COURSE WAIVER ASSESSMENT PROCESS

ELIGIBILITY

If POST determines that the applicant meets the training and experience requirements of the BCW process, POST will send an eligibility letter with instructions to attend the POST-certified Requalification Course. The Requalification Course must be taken within **180 days** (six months) of the eligibility letter date.

There are two methods by which the BCW assessment can be accomplished. Once an assessment method is chosen, an individual may not switch to the other option.

- (1) Attendance and successful completion of a POST-certified Requalification Course; or
- (2) Successful completion of the BCW Testing Process which is only available to individuals who meet the following criteria:
 - Entering California law enforcement with qualifying out of state or federal law enforcement experience, and
 - Will be appointed at middle management or executive rank and will function at the second level of supervision or above, and
 - Have less than a three-year break from the last date of service as a peace officer, and
 - Submits a letter from the prospective hiring agency, signed by the agency head, that includes the intent to hire the applicant at middle management or executive rank, and the description of the intended job classification and duty assignment.

The testing process consists of the two components identical to the Requalification Course examinations:

- A comprehensive test designed to evaluate an individual's knowledge of basic course content.
- Exercise tests designed to evaluate an individual's manipulative skills acquired in the basic course.
- The testing process is to be administered through a POST Testing Center. Both components are graded pass/fail and must be successfully completed.

RETEST

A comprehensive retest shall be allowed one time only. Arrangements for the comprehensive retest must be made directly with the same POST-certified Requalification Course presenter or POST Testing Center at which the initial comprehensive test was taken. Retesting must take place within ninety days of the initial test. An individual who fails the retest must, before exercising peace officer powers, successfully complete the appropriate POST-certified basic course.

Retest of one or more modules of the exercise shall be allowed one time only. Arrangements for the skills retest must be made directly with the same POST-certified Requalification Course presenter or POST Testing Center in which the skills examination was originally taken. Retesting must take place within ninety days of the initial test. An individual who does not pass the failed module(s) of the skills retest must, before exercising peace officer powers, successfully complete the appropriate POST-certified basic course (RBC or SIBC).

If the testing requirement is not met due to non-completion or failure of the initial test and retest, the individual is no longer eligible for a waiver and will be required to complete the appropriate POST-certified basic course.

TEST RESULTS

A certificate of course completion, or a letter of successful completion of the Requalification Course or BCW Testing Process, is issued by the presenter at the conclusion the assessment process.

IMPORTANT INSTRUCTION: THE **APPLICANT MUST MAIL A PHOTOCOPY** OF THE COMPLETION CERTIFICATE AND/OR LETTER TO POST TO ENSURE THE ISSUANCE OF THE WAIVER.

STEP 4: ISSUANCE OF WAIVER/WAIVER OF ATTENDANCE

Based upon the applicant's prior training, experience, and successful completion of the Requalification Course or BCW Testing Process, POST will issue a letter that waives the requirement for attendance at a POST-certified Specialized Investigators' Basic Course. **Acceptance of a waiver is at the discretion of the employing agency.** A waiver is **NOT** equivalent to a POST General Basic Certificate or POST Specialized Basic Certificate.

A waiver of attendance for the RBC will satisfy attendance at the SIBC. However, a waiver of attendance for the SIBC does not satisfy the RBC training requirement.

WAIVER VALID FOR THREE YEARS

An individual must be appointed to qualifying employment which requires SIBC training by law within three years from the date the waiver is granted. After three years, applicant will need to meet the requalification requirements outlined in Commission Regulation [1008](#).
