Good afternoon Scott,

Hope all is going well. Glad to see you are working at such a significant level at POST. I am doing well in my position as Chief at the college. I am also involved with CAPTO, and have the privilege to nominate Randy Waltz for the POST Advisory Committee. He has served well and we support him strongly for another term.

Thanks much,

Kevin Mizner

Commission on POST

Commissioner Dudley,

I have served as a Public Member on the Advisory Committee since October 2010. It has been a pleasure working with all the dedicated individuals from the Commission, POST staff and the Advisory Committee. Recommendations made to the Commission by the Advisory Committee require the attention of every seated member and a commitment to researching important items brought forth by the law enforcement community we serve. I have strived to fulfill that responsibility the past nine years and would be honored to serve another term.

Please consider my request for reappointment to the Advisory Committee as a Public Member.

Respectfully,

*Elmo Banning*
