Sir

Do we have an effective date of the agency being disbanded?

Good Morning Mr. Mendonsa,

Thank you for your email. Unfortunately, the Railroad Police department has been disbanded and can't participate in the POST program.

Thanks,

Importance: High

Good morning Mr. Lampkin-

I previously sent a message and would like to set up some time to discuss this.

When you have a moment, I need to speak with you about the continued participation of the Napa Valley Railroad Police Department in the POST program.

Please let me know when might be a good time to talk. If I do not receive a reply, I will have to begin the process of removing the Napa Railroad Police Department from the POST program.

Thank you in advance.

AM
