Re: The Appointment of Sergeant Julie Spry to the POST Advisory Committee

Dear Commissioner Dudley:

**I would like to advise the Commission that as of July 28, 2021, the Peace Officers Research Association of California (PORAC) is proud to recommend, Los Angeles School Police Department, Julie Spry for the appointment to the *California Commission on Peace Officers Standards and Training (POST) Advisory Committee*.**

PORAC has long been a leader in fighting to enhance public safety, uphold professional training standards, and to protect the rights of peace officers. We are confident Sergeant Spry will continue to provide a consummate dedication to establishing the highest of training standards for California peace officers.

With that said, we would also like to thank Los Angeles School Police Department Sergeant Philip Webb for his commitment and service on the advisory board. We are extremely grateful for his years of service on the Advisory board.

We look forward to Sergeant Spry's appointment and working with her on future standards and training issues.

Very Truly Yours,  
BOARD OF DIRECTORS  
Peace Officers Research Association of California
